

American Heritage Day

Wednesday
March 30, 2022

8:30 a.m. - 5:30 p.m.

Motor coach will depart from and return to the
Town Common Parking Lot (142 Middlesex Ave.)

Our day begins at the American Heritage Museum in Hudson, MA.

Here you can explore America's conflicts, beginning with the Revolutionary War through today. The creation of the museum began when the Collings Foundation was selected to receive the massive collection of tanks, armored vehicles and military artifacts from the family of Jacques M. Littlefield in 2013.

Witness the evolving technology of warfare through a chronologically arranged series of exhibits and dioramas featuring the largest collection of armored vehicles in North America.

Lunch today is at **Longfellow's Wayside Inn** in Sudbury, a Massachusetts landmark established in 1716 and America's oldest operating inn.

After lunch, there is time to stroll the Historic District and visit the fully working Grist Mill, the Martha Mary Chapel and what is believed to be the one-room schoolhouse mentioned in the poem "Mary Had a Little Lamb".
